Good Morning -

I hope that you're enjoying your day and happy Friday! Please note that the Port of Los Angeles released the Draft Supplemental Environmental Impact Report (SEIR) for the China Shipping Container Terminal Project. The comment and review period ends on July 31<sup>st</sup> and the public meeting will be held on Tuesday, July 18<sup>th</sup> at 6pm in the Port of Los Angeles Administration Building which is located at 425 S. Palos Verdes Street in San Pedro. The Draft SEIR evaluates the continued operation of the China Shipping Container Terminal under new and/or modified mitigation measures, along with an incrementally higher cargo throughput level compared to that assumed in the 2008 EIS/EIR. The analysis examines whether potentially new significant environmental impacts or substantially more severe impacts would occur in the areas of air quality, greenhouse gases, and ground transportation. You can find a copy of the Draft SEIR at: [https://www.portoflosangeles.org/EIR/ChinaShipping/DSEIR/dseir\\_china\\_shipping.asp](https://www.portoflosangeles.org/EIR/ChinaShipping/DSEIR/dseir_china_shipping.asp). Please see the attached press release for further information and feel free to pass this information onto your local community.

Sincerely,  
Augie Bezmalinovich
